JACK
TRIPLE THREAT
50% SOUSAPO 25% MERLOT 25% BARBERA
A true New Orleans spirit of life sits within Jack. With the help of the Louisiana SPCA, Jack was scheduled to be relocated with his sister in Maine for adoption but he couldn't make the trip due to health problems. The prognosis was for a short life span, but one person took a chance on Jack knowing he may not make it. Well Jack has made a full recovery. He is now one happy and healthy dog enjoying his new lease on life - one dog day after another!
